Dear Zheng Li,

Thank you for your service as a reviewer for ICML 2026. Based on the ratings provided by area chairs on the reviews you submitted, we are pleased to recognize you as a **Silver Reviewer**, placing you among the top reviewers for this year's conference.

Your Silver Reviewer designation will be considered as a positive factor in financial aid applications (due May 18). If you have already submitted an application, don't worry, we will reach out to Accessibility and Inclusion Chairs to let them know about your Silver Reviewer designation.

We hope to see you at ICML 2026!

ICML 2026 Program Chairs

Alekh Agarwal, Miro Dudik, Martin Jaggi, Sharon Li
